

Weekly Update

Friday 7th July 2017

News

Next week students in years 7 and 8 will be taking part in Enrichment Week, year 9 students are involved in Personal Challenge Week and year 10 students will be out of school on work experience.

School will start at **9.30am** and will finish at **2.20pm** Monday to Thursday, **12 Noon** on Friday. There will be no registration and no PREP/after school provision.

Students are permitted to wear their own clothing, however it must be appropriate for the school environment and for the activities they will be taking part in.

It promises to be a very busy and interesting week and I look forward to exhibition day on Friday.
