I. Our Mission, Vision and Values

Mission

'Excellence every day, unlimited ambition and transforming lives'

Vision

'To create a community of inclusive schools where people choose to learn with us, work with us and belong with us, so that everyone succeeds'

Values

- Respect
- Resilience
- Relationships

2. Aims

This policy aims to set out our school's provision of impartial and informed careers guidance for our pupils. This includes the ways in which pupils, parents, teachers and employers can access information about our careers programme.

High-quality careers guidance is important for our pupils' futures, and our provision aims to:

- Help pupils prepare for the workplace, by building self-development and career management skills
- Provide experience and a clear understanding of the working world
- Develop pupils' awareness of the variety of education, training and careers opportunities available to them
- Help pupils to understand routes to careers that they're interested in, and to make informed choices about their next step in education or training
- Promote a culture of high aspirations and equality of opportunity

3. Statutory requirements

This policy is based on the Department for Education's (DfE's) statutory [Careers guidance and access for education and training providers](#).

This guidance refers to:

- The Education Act 1997
- The Education and Skills Act 2008
- The School Information (*England) Regulations 2008

This policy is also in line with the more recent [Skills and Post-16 Act 2022](#), which came into force on **1 January 2023**. It explains that our school must provide a minimum of **6 encounters** with technical education or training providers to all pupils in Years 8 to 13. For more detail on these encounters, see our provider access policy statement.

This policy is also in line with the Education (Careers Guidance in Schools) Act 2022. This came into force on 1 September 2022, and amended the existing duty in The Education Act 1997, so that:

- Our school must now secure independent careers guidance from Year 7 (instead of from Year 8, previously)

As an academy in England, we're now required to provide and publish careers guidance.

The above guidance requires that schools publish information about their careers programme on their website. This policy includes this information and shows how our school complies with this requirement.

This policy complies with our funding agreement and articles of association.

We also act in line with our statutory duty under the 'Baker Clause', to be impartial and not show bias towards any route, be that academic or technical. This policy should be read in conjunction with our provider access policy statement, which sets out how our school meets this duty.

4. Roles and responsibilities

5. Our careers programme

Our school has an embedded careers programme that aims to inform and encourage pupils to consider their career options, and take steps to understand their choices and pathways. We provide statutory independent careers guidance to pupils from Year 7 onwards.

Our programme has been developed to meet the expectations outlined in the **Gatsby Benchmarks**:

Careers Policy

2. Learning from career and labour market information
3. Addressing the needs of each pupil
4. Linking curriculum learning to careers

6. Experience of workplaces
7. Encounters with further and higher education
8. Personal guidance

Our programme doesn't show bias towards any particular career path, and promotes a full range of technical and academic options for pupils.

It is structured in a way that builds upon previous years, and the overarching aim is divided between the Key Stages so that pupils are encouraged to think appropriately about their future. We provide aims, objectives and activities for each year group.

Our careers programme is delivered through a number of methods, including:

- Dedicated, timetabled, careers lessons
- Assemblies and activities embedded within the tutor programme
- Displays, emails, newsletters and the website promote the careers curriculum
- Events, parent's evenings and guest speakers

Key Stage 3

Our Key Stage 3 careers curriculum focuses on the students understanding their strengths and knowing their skills and qualities. This enables better decision making going into Key Stage 4 and 5. Our Key Stage 3 careers programme will support pupils in their planning and choices of GCSE subjects. This includes:

5.1 Pupils with special educational needs or disabilities (SEND)

We expect that the majority of pupils with SEND will follow the same careers programme that meets the Gatsby Benchmarks as their classmates, with adjustments and additional support as needed.

Our careers leader will work with teachers and, where appropriate, professionals from relevant organisations, to identify the needs of our pupils with SEND and put in place personalised support and transition plans. This may

Careers Policy

include meetings with pupils and their families to discuss education, training and employment opportunities, supported internships and transition plans into higher education.

Our careers leader may, as appropriate, invite adults with disabilities to visit and share their experience and advice. No information will be given to pupils without SEND that is not also offered to our pupils with SEND.

5.2 Access to our careers programme information

A summary of our school's careers programme is published on our school website
